Welcome from the President

Welcome to the 29th Annual Great Taste of the Midwest.

At a time when we probably should be overwhelmed by the explosive growth of the craft beer industry, we are too busy trying to figure out how to make this event a better experience for all. To that end, we are excited that we have maintained the same footprint as we’ve had in past years, but have added more brewer space, by moving our merch tents and adding a few new tents to a previously restricted staff only area of the park (inside the “loop road”). This allows us bring in some new brewers while continuing to bring back the brewers that you come to expect to see at the Great Taste of the Midwest.

I would like to thank Great Taste Chairman, Mark Garthwaite and the multitude of volunteers that make this event happen. We are all very proud that this is the only event of this size that is run by a 100% volunteer effort. Their passion for beer is a large part of what makes a volunteer effort of this size a success. I would also like to thank all of the Brewers that come to the Great Taste of the Midwest. All of “our” passion for beer flows from their passion. As the event has grown and produced more return Brewers each year, we’ve come to think of the Brewers as family coming home every year on the second Saturday in August.

Sadly, I have to acknowledge the passing of several MHTG members since the last Great Taste. We lost Michael Ball and Bill Grogan, both unique individuals in their own right, that quickly left an impression on anyone’s path they crossed. Let’s all raise a glass to these gentleman that volunteered many hours to help make this the event that it has become.

Lastly, but most importantly, please remember this is a non-driving event. Please utilize free shuttles or $1 Taxicabs and don’t forget to tip your driver generously for getting you home safely when you pull out your wallet. Please note that the taxi queue will be at the south parking lot, which is directly down the hill from where you entered the festival main gate. Remember to eat, drink plenty of water and to enjoy the event responsibly and to get home safely by not driving.

Cheers!
Mark Schnepper

USING THIS PROGRAM

We hope this program is a useful guide to exploring the Midwest’s finest breweries both here and in your travels in the region. It is organized alphabetically and can be cross-referenced numerically on the map of the festival grounds for conveniently locating each brewery’s booth. Beer and brewery information is provided to us by brewers. In some cases beers will be served that are not listed here. Sometimes this is intentional and sometimes it’s a last minute addition.

MOBILE APPS

In addition to this program, we offer iPhone and Android mobile apps that contain the same information that is included in this program. Some additional features are included that are well worth exploring. Apps are updated right up until the gates open. Search for “Great Taste” in the appropriate app store to find and load them onto your device.

THE BEER!

Breweries are asked to provide detailed information about the beers on offer including Alcohol By Volume (ABV), Original Gravity (OG) measured either as “degrees Plato” or “degrees Brix”, and International Bittering Units (IBU). The ABV tells you how much alcohol is in the beer (typically ranging from 4% up to 12%), while the OG is a related measure that describes the density of the wort prior to fermentation. Final Gravity (FG) is the density of the fermented beer. In general, a high OG means a high ABV. The IBU’s tell you how much hop bitterness to expect. IBU’s range from the single digits and max out at a measurement ceiling of about 100 IBU’s. Some brewers will provide information regarding beer color which is expressed as either SRM (Standard Reference Method) or Lovibond (L). A light beer can be as low as 2 SRM while a dark beer can be as high as 89 SRM.

All of this is designed to help you predict what a beer will look and taste like so you can make informed choices. Many beer styles are available to you today and to learn more about them, consult the Beer Judge Certification Program for detailed guidelines at www.bjcp.org.

SERVING SIZE

SERVING SIZE IS 2 OZ. Brewers have been instructed not to provide a full pour. Please don’t ask them to fill your glass. CLOSING TIME IS 6:00 PM. All brewers MUST stop serving at that time. Please do not jeopardize the future of this event by asking for “just one more”. There are multiple exits throughout the park that will direct you toward the taxi and shuttle services.

FINAL WORDS

The Madison Homebrewers & Tasters Guild is proud to sponsor one of the premier beer events in the United States. We welcome your comments and encourage you to contact us via email at greattaste@mhtg.org. Thank you for your support and enthusiasm for craft beer and we hope you enjoy the Great Taste of the Midwest as much as we enjoy bringing it to you.

Join us next year on AUGUST 13, 2016.

Andrew Gierczak BREWER | MOBCRAFT BEER INC
Henry Schwartz CEO | MOBCRAFT BEER INC.
Thor Messer BAR MANAGER | Merchant
Tom Dufek DIRECTOR OF OPERATIONS AND BEVERAGE | Merchant

Using three different Wisconsin beers we are going to show everyone the versatility of beer in cocktails. We’ll be making three different cocktails and discussing them using beer as a base, a syrup and a modifier.

WHISKEY OLD FASHIONED BERLINER WEISSE

This beer plays off two things that are very "Wisconsin" German Heritage and Old Fashioneds, Casey suggested a traditional German recipe, Berliner Weiss (a moderately sour wheat beer) featuring some elements of the classic Wisconsin cocktail the Old Fashioned (Cherries, Oranges and a few of the spices found in bitters). The beer was split in half and aged in either used Brandy or Whiskey barrels. This version in whiskey barrels.

SIPPIN ON G&J

A beer that brings you back to 1994 where you can be laid back while sipping on gin and juice. Mosaic, Citra, Cascade and Galaxy hops provide the juice while juniper berries bring on the gin.

CERVEZARITA

Imperial Mexican lager aged in mezcal barrels with lime zest and sea salt. Not your typical __arita beer! We brewed this baby with Tex Tubs Taco Palace in Madison Wisconsin and released it on Cinco de Mayo.
For the 10th year, the Great Taste presents the Real Ale Tent. It houses more than 70 cask ales served straight from the firkin.

What is real ale?

- CAMRA (Campaign for Real Ale) defines it as “Beer brewed from traditional ingredients, matured by secondary fermentation in the container from which it is dispensed and served without the use of extraneous carbon dioxide.”
- It may show flavors and nuances not found in similar beers with more carbonation and filtration.
- It follows centuries of British and U.K. brewing traditions with some American quirks and twists.
- Monty Python Terry Jones opened the Great British Beer Festival in 1977 in London by pouring six pints of Real Ale (from his own Penrhos Brewery) over his head exclaiming “You can tell its Real Ale by the way it drips down into your boot.”

Say hello to Les at the RAT, order your cask ale by number or by name and share the Reality of Real Ale. — Cheers!

Established in 2010, the 8th Street Ale Haus quickly became Sheboygan’s number one pub for craft beer. With 30 taps of rotating beers and gastropub style food menu there is always something for everyone to enjoy. In 2013, the owners decided to step up their home-brewing game and entered into the world of professional brewing. Known throughout Wisconsin as the smallest craft brew pub, the guys spend a lot of time perfecting recipes and techniques on their one barrel system. The staff of the brewery and the staff behind the bar are one in the same at the 8th Street Ale Haus, so stop on by and chat beer over a pint of great craft. We still serve many other breweries besides ours because we just can’t get enough of the fantastic world of beers out there.

Hard ciders with style made with locally grown uncommon and heirloom apples to make draft ciders, cider (and perry) champagnes, orchard table wines, and after-dinner orchard mistelles. Our ciders are inspired by Old World tradition, but don’t imitate historic ciders and perries. The venture grew out of our home cidermaking pastime and biology, chemistry, and engineering skills. We believe that cider starts in the orchard, in using the most flavorful cultivars—grown locally—and that cidermaking is an act of conservation, both in the cellar and in the field.

Beholden to no other management priority than making beer well, we declare!... Against The Grain is like most worthwhile undertakings, the product of dissatisfaction with the status quo. The Louisville area has had a number of quality breweries for some time now, but still there was simply not enough focus on great beer. Against The Grain is an effort to help solve this problem. ATG is born from the love of great beer and uncompromisingly dedicated to making great beer!

Our brewing process, however, is over 200 years old. Our imported Kasper Schultz brew house allows us to brew our brands in the true heritage-style of traditional German lagers. All of our main brewing equipment was brought in from Germany, where precision and passion for beer has its roots. “We drink all we can and sell the rest.”

B. NEKTAR MEADERY has been handcrafting award-winning meads in Ferndale, MI since 2008. Our meadmakers weave together threads of tradition and innovation creating high-quality honey wines that range from classic to inspired to deliciously mad. After winning awards for their homemade meads, Brad and Kerri Dahlhofer and Paul Zimmerman decided to start a small, nights-and-weekends meadmaking business in the Dahlhofer's basement.

Six years later, their meads are distributed in twenty states, and have won numerous awards. Not bad for a couple of homebrewers. Make sure you hit our booth this weekend—you won’t be disappointed.

Consumer demand for both draft and bottles led to the expansion, which affords the brewer an ultimate capacity of 25,000 bbls annually. While the focus is full-favored German-style Lagers brewed in accordance with Reinheitsgebot, more adventurous styles are also produced in small batches for taproom visitors and limited distribution. **BENT RIVER BREWING CO. | 327**  
Head Brewer: Steven Ratcliff.  
bentriverbrewing.com  
1413 5th Ave, Moline, IL 61265

Back in the mid-nineties, a man by the name of Tim Koster owned a little homebrew supply shop, Koski’s Home Brew Fixens, located in downtown Moline, Illinois. As people would visit, they’d sample some of Tim’s brews and, over time, people started stopping by for the beer more than anything else! And after much demand...Tim decided to open a brewery.
The Moline location opened its doors in 1997. Over the years, as the Bent River’s beers became more and more popular, the building grew to house five 30 barrel fermenters along with a fully functioning, recently renovated kitchen. The brewpub has been a big success and the beers continue to be so popular locally, that the call to distribute beer outside of the Quad Cities Area couldn’t be denied. Back in 2010, current owners and brewers realized that though the demand continued to grow, their historic, downtown building would not.

Bent River opened its second location just 5 miles down the road from the brewpub, in Rock Island. Housed in an old car wash, this is their main distribution center, where all of the beer is bottled, packaged, and sent out into the region. Bent is now distributed throughout Iowa, all of Illinois except Chicagoland – and the Madison, Wisconsin, area.

Brewmaster: John Hannafan.
www.berghoffbeer.com
1730 W Superior St, Chicago, IL 60622
Berghoff’s history as a beer brand goes back over 120 years, and in that time it has developed a reputation of high quality and consistency. The first batch of Berghoff beer was brewed in Fort Wayne, Indiana in 1887 by Herman Berghoff and his three brothers. Herman’s desire to expand the market for the family’s beer led him to sell the product at the Chicago World’s Fair where it received high acclaim. Since then, Berghoff has continued its success and relevance in the Chicago market and beyond.

As the craft beer market has evolved, the brand has received fresh, exciting updates. Berghoff changed its brewing location and is now proudly brewed at Point Brewery in Stevens Point, Wisconsin. Berghoff has also refreshed itself with updated recipes and packaging. With consulting from brewing experts Randy Mosher and John Hannafan, Berghoff’s new, top-notch beers are ready to satisfy consumer demand. As the brewery looks to the future, Berghoff beer will continue to evolve as trends change, but will always maintain its roots as an authentic German-style brew whose history and tradition will never be forgotten.

Yet, as a new generation of Berghoff Beer drinkers emerge on to the craft scene, it’s time for us to distinguish ourselves. It’s time to be trendy; it’s time to be exceptional. It’s time for the future. It’s time to get ROWDY. Rowdy Root Beer is an alcoholic root beer that comes in at 6.6% ABV. Rowdy Root Beer is a unique brewed product mixed with root beer flavoring. The root beer mix is all natural sugar cane product. The aroma is that of a delicious draft root beer, leading into a smooth finish. The after tones taste of some of the delicious malts that the beer is created with. So it’s time. Grab your blow horns and get Rowdy.

MAIBOCK: Style: Maibock / Helles Bock. Maibock Silver Award Winner! 2014 World Beer Cup This quaint looking beer is very strong! Consider yourself warned. Yes, this German style bock is golden and bright, not dark. Mai means May and well, Bock means goat, but that’s another story. May means Spring and after a long winter of drinking
dark beers, Germans were ready for a bright golden beer to celebrate spring. And that's where babies come from. OG: 1.068. IBU: 16.0. ABV: 7.5.

TOP GUN IPA: Style: American IPA. Top Gun IPA San Diego Style IPA. On a trip to San Diego for the World Beer Cup we had several opportunities to soak up the local beer scene. San Diego area brewers and their aggressively hopped beers have made the west coast style of brewing famous. This IPA employs an indecent amount of Simcoe & Amarillo hops. The color is reminiscent of a San Diego Sunset and the body is lighter and drier than our Tiger Bite IPA. By the time you finish this beer, you'll know you've been in a hop fight. OG: 1.07. IBU: 60.0. ABV: 7.0.

Kegs, pony kegs, 6'ers, and growlers available.

ROOT OF ALL EVIL: Style: Saison / Farmhouse Ale. The last in the collaboration series with eminent Brewer Brad Davis, Root is an amber Saison with wasabi and crystalized ginger. We're talking the fruity esters of a Farmhouse Ale with a smooth ginger note followed by a wasabi kick. Even James Brown would have difficulty being this funky. OG: 1.064. IBU: 35.0. ABV: 8.3.

SUMMER DAZE: Style: American Blonde Ale. The Powder Keggers (an all girl brew team) wanted to make a brew that featured hop flavor over hop bitterness and came up with this refreshing light Blonde Ale using fruity German Huel hops. Expect hints of luscious strawberry melon and grapefruit. OG: 1.048. IBU: 24.0. ABV: 5.5.

BRAU BROTHERS BREWING CO. | 207
Lucan, MN

You'd be surprised what you can get done locally. We truly believe that you can and should source as much as you can locally. That's why we grow our own hops. Eleven different varieties grow mere feet from our front door. That's why we grow and malt our own two-row barley. We believe that when breweries take responsibility for their beer, from grain to glass, not only is the quality better, but we begin to produce unique, fun beers distinct to region.

We constantly seek out other small producers in which to collaborate. From small town distilleries for barrels, to nano coffee roasters for beans, we pride ourselves on finding friends in rural places.

We believe that no town or region should be without a local brewery, regardless of size. We also feel that it's important to get to know your brewer. Beer is not just a drink, it's an experience.

Few people know that it was also the home of the first commercial brewery in Wisconsin built by John Phillips in 1836. Two others followed making Brewery Creek the 4th.

The Brewery Creek Restaurant shares the first floor with the brewery. Good food and “Cracking Good Beer” are served throughout the year. On the second and third floors we have luxury bed and breakfast accommodations. Has spending a night in a brewery always been your dream? Here is your chance. Beer, food, lodging, we may not do it all, but we do a lot. Check out our web site for hours etc. and plan your next trip.

Church Street's Brewhouse is a 30-Barrel system designed with traditional German brewing practices in mind. Utilizing kettle mash-in techniques with the ability to perform decoction mashing, our brewery is capable of mimicking common German brewing procedures. Our brewery was designed to be efficient and to care for the environment. We recycle cold water used to chill Wort before it goes into the fermenter by pumping it back to our hot water tank, and our spent grain goes out to Robertson Farms in Kirkland to help feed 650 hungry cattle!

DEVIL'S ADVOCATE: Style: Belgian Strong Pale Ale. The answer: A spicy, sweet, and dangerously drinkable Belgian golden strong ale. IBU: 27.0. ABV: 8.8.

HEAVENLY HELLES LAGER: Style: Munich Helles Lager. One of Germany's quintessential beverages. Utilizing old world decoction mashing techniques for a truly unique sweet malt character, this gentle drink also features a straw colored clarity that's clearly heavenly! IBU: 30.0. ABV: 5.4.

CROSS PLAINS BREWERY | 111
Brewmaster: Larry Esset.
www.essersbest.com
2109 Hickory St, Cross Plains, WI 53528

Esset’s Brewery was first established in 1863 and revived in 1995. George Esset arrived from Germany in 1852 with a taste for good German beer. He built a brewery in Cross Plaines in 1863 and called his beer Esset’s Best. Six generations of Essers have continued the tradition, keeping the company alive during Prohibition by distributing “near beer.” Re-established in 1995, under the direction of Wayne and Larry Esset, Esset’s Best is now brewed using the original recipe. In celebration of 150 years in the beer business, the Esset family produced an ale to commemorate this mark in history. All beers are available in bottles and kegs with statewide distribution.
Dangerous Man Brewing Company (DMBC) is a small-scale tap house and microbrewery located in the heart of NE Minneapolis. ABV: 6.7.

PEANUT BUTTER PORTER: Style: American Porter. IBU: 29.0. ABV: 5.3.

SAISON: Style: Saison / Farmhouse Ale. Pleasant orange and tangerine on the nose followed up with a slight coriander spice. The draw reflects the scent; wide in body, wider than a Belgian Saison, this Saison is bright, invigorating, and spicy. IBU: 30.0. ABV: 7.4.

Humble beginnings gave way to lessons learned of brewing in the shadows of the residence hall; steering clear of the landlord and having your ass handed to you by the almighty dollar are now consumed by the glory bells of success and the daily grind - a dichotomy of sorts... Should a young madman have to bend and be Ned Beatty’d to sell and serve to please the public eye’s nerve endings from the very beginning? Not this time around. A brewer slowly climbed from the lowest points of business life with a sore ass, as he ascended to a new level. Hark! The horse of the dark nature holds the scales where the wheat and barley feedeth, not taketh from the mouths of man. A non-filtered view of hard work, careful perseverance of expansion, sticking to what is believed to be the right way and the only way to stay true to high quality, and also, the vague understandings of possible humor; blurring his family’s, employees’ and customers’ drinking experience and vision between a no-bullshit approach to brewing big, outstanding beers and selling nonsensical imagery and haberdashery...Proven to the masses as a Dark Horse trademark for the man behind the reigns.

ABBREY’S SINGLE: Style: Belgian Pale Ale. This is a Belgian-style abbey single crafted like those that Trappist monks brew for their own daily consumption. It is light bodied and pale in color with pleasant, spicy phenolics and subtle, fruity esters reminiscent of midwest heirloom fruit trees that give way to a floral and dry finish from noble hops and Belgian yeast. IBU: 22.0. ABV: 4.9.

BLACK ANGEL STOUT: Style: American Stout. An American Stout with medium malt sweetness, chocolate and roasted malt flavor and aroma, dry-roasted bitterness in the finish, full-body and assertive citrus hop bitterness, aroma and flavor. IBU: 64.0. ABV: 6.7.

HERE GOSE NOthin’: Style: Gose. Our Leipzig-Style Gose undergoes a spontaneous fermentation, similar to Belgian-style Gueuze/Lambic beers, and exhibits a complexity of acidic flavor and aroma contributed by wild yeast lactic fermentation. Lemon,
lime and other citrus-like qualities are present in aroma and on the palate, which is balanced by the spicy character of added coriander and a mineral-mouthfeel from added sea salt. IBU: 12.0. ABV: 5.0.

HOPERATION OVERLOAD: Style: American Double / Imperial IPA. Our mission for this Imperial or 'Double' India Pale Ale is to overload the beer with hops for an intense hop bitterness, flavor and aroma while still being balanced by a big malt profile, resulting in a hoppy beer with more dimension. This beer is light copper in color with some hop haze from overloading with dry hops as well. IBU: 85.0. ABV: 9.6.

LYNNBROOK RASPBERRY BERLINER WEISSE: Style: Berliner Weissbier. IBU: 4.0. ABV: 3.0.

MANGO IPA: Style: American IPA. Amra, Sanskrit for mango, begins with a very pale West Coast-style IPA devoid of caramel malt character to allow the fruity aromas and flavors of Simcoe & Glacier hops to take center stage and meld perfectly with unreasonable amounts of mangoes added to this fruit beer with attitude. IBU: 52.0. ABV: 6.5.

Established in 1999, Emmett’s Brewing Company is comprised of three brewpubs in the Chicago suburbs. Tradition, craftsmanship, and the highest standards in beer and food are our passion. We believe in using only the finest ingredients in what we make, whether they are destined for your pint glass or your plate.

Our original pub is in West Dundee and houses our copper-clad seven barrel JV Northwest system. We produce about 500 barrels per year here, including all of the company’s cask-conditioned ales. We opened Downers Grove in 2004 and brew on a 15 barrel Specific Mechanical system to make

about 850 barrels per year there. The 10 barrel DME system at Palatine is our newest brewery and is also home of our bottle and draft packaging operations.

**DOUBLE TALK DOUBLE IPA:** Style: American Double / Imperial IPA. OG: 19.0. IBU: 100.0. ABV: 9.0.

**HOPTWEET HOPPED WHEAT:** Style: American Pale Wheat Ale. OG: 12.5. IBU: 30.0. ABV: 5.3.

**MUNICH LIGHT LAGER:** Style: Dortmunder / Export Lager. Munich Light is a deliciously refreshing German-style lager. It is the beer of choice throughout Germany. Emmett’s Munich Light is light straw in color with a thick, white head. The aroma is herbal with a bit of background spice, along with the sweet scent of imported German malt. The Light has a medium body while still maintaining a crisp, somewhat dry finish. The flavors are that of firm malt, that is sweet, but not in any way caramel-like. Also the same herbal hop character present in the nose transfers into the flavor as well. Bitterness is downplayed, but while noticeable, only serves to round out the firm, malty sweetness and aid in the crisp finish. OG: 12.0. IBU: 18.0. ABV: 4.5.

Flat 12 Bierwerks is a production craft brewery located in Indianapolis, IN. Established in January, 2011, Flat 12 offers five house beers, and a steady flow of original seasonal and specialty beers including Glazed Ham Porter, and seasonal variations of their Half Cycle IPA. The brewery staff at Flat 12 prides itself on creativity, and non-traditional takes on many of their specialty offerings. Many of these beers are made specifically for festivals where they get tasted for the first time by someone other than a brewery employee. The name Flat 12 is derived from the flathead 12-cylinder engine, a powerful beast of an engine, emblematic of Indianapolis' turn of the century rise as an automotive manufacturing and motorsports capital. The "Bierwerks" Germanic spelling offers a nod to the strong German cultural influence, felt in and around the city at that same time.

We started homebrewing together in 2006 in Jim’s one-car garage. Our first brew was on a -20 degree February day. As we huddled around a turkey burner (both for warmth and because the garage was so small) we talked about how cool it would be to brew beer for a living.

THE WORTHY ADVERSARY: Style: Russian Imperial Stout ABV: 9.5 This Russian Imperial Stout is not exactly a lightweight. It’s about drawing a line in the sand. It has a consistency similar to 5W-30. Adventurous tattoo artists have used it in place of ink. If left outside during winter, it won’t freeze, even in Minnesota. Beneath the shadowy exterior, a swirling ambush of coffee and dark chocolate flavors lurk atop a mountain of malt. For much of the year, the Worthy Adversary lays low, as if beneath the cover of canopy jungle. Don’t leave this aggression unchecked, or you may find it facing you down—eyeball to eyeball.

Two Irish brothers with limited brewing experience. A city that shuttered its last production brewery in the early 80s. A neighborhood in serious need of a facelift. In 1986 when Patrick and Daniel Conway opened their fledgling operation in Cleveland’s Ohio City neighborhood, the odds were stacked against them. Fortunately, they surrounded themselves with a staff of passionate, knowledgeable people, and from the start committed themselves to bringing a sophisticated, diverse selection of craft beer to their home state. Over two decades, multiple awards, and a whole lot of stories later, Pat and Dan Conway celebrate over two decades of brewing exceptional beer for their adventurous and discerning customers. We celebrate the abundance of the Great Lakes region in every beer, dish, and story we share.

We'll try to barrel age many, like stouts in whiskey barrels, tripels in chardonnay barrels, and just generally experiment with whatever we think might work. We plan to brew many test batches on our small pilot system for trial in our tasting room, and the ones that work well we will scale up to the 15bbl system for distribution. Visitors to our tasting room should always find something new coming out of the zymurgists lair.

House of Brews is Madison’s smallest microbrewery and was founded by and is run almost entirely by long time MHTG member (and former festival “Ice Czar”) Page Buchanan. House of Brews began brewing early August of 2010 on repurposed dairy equipment producing 10 barrel batches. They have also started Wisconsin’s (if not the Midwest’s) “Community Supported Brewery” programs. Just like those in agriculture, subscribers get a weekly allotment of beer and will also have input into what is brewed. House of Brews is also currently working/collaborating on “custom” beers for various customers in Madison. Page’s vision is to be unique in terms of brewing a variety of beers and in inviting customers and CSB subscribers to participate in the process. There is also brew-on-premises equipment waiting to be put to use in the near future.

Established December 22, 2011. In our brewery and restaurant we pride ourselves in supporting our community by using locally produced foods, and local ingredients in beer when possible, such as fruit, honey, sorghum, herbs, and hops. Our pub is located in a historic, downtown building with a friendly and relaxing atmosphere that includes our outdoor beer garden that overlooks our city hall and library. Our beers are brewed using a custom-made 3 barrel system. This system provides our pub with beer on tap, and we now provide beer to a limited number of regional establishments. We are very excited to be a part of the long history of brewing beer in Columbus, WI, and hope you will join us soon for a pint.

DANDY LAGER: American Pale Lager: Bright and crisp with an assertive hop bitterness this Pale Lager showcases the best of German hops both new and old by combining the very noble Hallertau with the newly released Mandarina Bavaria.
DAY TRIPPER:American Pale Ale: This West Coast inspired pale ale has heady, dank, and citrus laced aroma all supported by a complex malt backbone.
DOUBLE DAY TRIPPER: American Double / Imperial IPA: Double Day Tripper is a dank, dry-hopped Double Pale Ale with intense tropical citrus and floral notes. This is our flagship Day Tripper's feistier big brother.
L.S.D.: Honey Ale Fruit / Vegetable Beer: This Spiced Honey Ale boasts a kaleidoscopic combination of Lavender, Sunflower honey, and Dates. Medal-winner at the Great American Beer Festival in 2011.
MEXICAN HONEY: American Double / Imperial Pilsner: This Imperial Lager is brewed with Mexican Orange Blossom honey and Amarillo hops. Expect notes of orange nectar, gramin cracker, biscuits, and honeycomb.
MIDNIGHT RYDER: American Black Ale: This Black IPA has hints of caramel, chocolate and a touch of roast, with six varieties of American hops giving it a resinous, piny character.
MOJITO SHENANIGANS: American Pale Wheat Ale: Our kettle-soured Derailed Series Mojito Shenanigans is as light and refreshing as the Cuban cocktail itself, bursting with the flavors of fresh lime and mint. Salud!
WHISKEY QUEEN: American Double / Imperial Stout: Aged in Whiskey Barrels, with complex notes of whiskey, oak, dark malts and vanilla.
WOODEN SOUL #1: Brett Saison Saison / Farmhouse Ale. The first release from our Wooden Soul series of sour, funky, wild, and barrel-aged beers. This Brett Saison was aged in white wine barrels.
Island Orchard Cider TM began on our farm on Washington Island, just across Death’s Door passage from mainland Door County. Located on a hill overlooking Lake Michigan, the property had a few craggy apple trees remaining in the fields.

During family trips to visit Yannique’s French father in Brittany, we always enjoyed going to Creperie restaurants to eat savory galettes and sweet crepes, accompanied by a bottle of cidre brut. Over time, as Bob became more interested in cider, we started traveling to the Pays D’Auge region of Normandy, where we tasted many varieties of this traditional beverage that is typically served with meals, and is the perfect complement to the wonderful cuisine of the area.

As we experienced the cider culture of northern France, we realized that nothing like these dry, complex ciders existed in the U.S., and we became excited about the prospect of introducing a French-style cider to the American palate. Back at our orchard, we began planting cider cultivars from France, England and America, while testing the types that would work best with the Island’s climate and rocky limestone soil. Our Washington Island orchard has expanded with our passion for cider, and we now produce several varieties of gluten-free cider in our Cider House in the small town of Ellison Bay, WI, located at the tip of the Door Peninsula.

My favorite comment made upon hearing our moniker, Jolly Pumpkin Artisan Ales was: “You really ought to think about hiring one of those marketing companies. They can come up with names for you and everything. Is it too late to change?” Jolly Pumpkin Artisan Ales. Seems people either love it or don’t understand it.

People always ask about the name, asking “where did it come from?” I usually just put a finger to my temple, smile, and sanguinely state “I have a very strange brain.”

And then I tell this story: The name bubbled forth years ago on a warm spring afternoon. It was one of those rare sunny March Michigan days, the kind that seems much warmer than March really has any right to be. Small piles of snow still dotted the yard as my wife and I sat on the patio in our shirtsleeves. Sipping beers and enjoying the sun on our faces after the long dark, cold Michigan winter. After firming up our business plan for months, the dream had finally evolved enough to need a name. So we sat, pen and paper in hand, brainstorming, smiling and laughing.

Many great names came forth that afternoon, but as the weeks passed, and spring finally sprung, the name that always made us smile was Jolly Pumpkin. It encompassed everything we wanted to express about our brewery. Fun and quirky, all that needed adding were the last two words; "Artisan Ales", the description of the brewery’s products and mission; The creation of fantastic beers of truly outstanding artisan quality. Maintaining traditional small scale production, keeping beer a beverage of both outstanding complexity and simplicity, this would be our laudable goal. Complexity of flavor, simplicity of ingredient and process. This duality was perfectly balanced in the name. Simple and complex. Complex yet simple.

To our delight with our wonderful new found name we were able to combine some very fun and exciting images:

- Everyone’s favorite holiday; Halloween (Who doesn’t enjoy the grinning Jack O’ Lantern?)
- Everyone’s favorite Halloween costume; the pirate!
- Some of my favorite locations; the tropics!
- And my two nicknames: Brewmaster Spooky, and Captain Ron
And hence was born the strange name by the brewer with the dedication to rustic county beers!
With much aloha from my family to yours,
Captain Spooky Ron J

KUHNHENN BREWING | 513
www.kbrewery.com
5919 Chicago Rd., Warren, MI 48092

The story of Kuhnhenn Brewing Company goes back to 1972, when Eric Kuhnhenn Sr. purchased Lutz True Value, a neighborhood hardware store in the Old Village of Warren at the intersection of Chicago and Mound. The store saw much success catering to the local community through personalized service and high-quality products.

Fast-forward to the early 1990s, when Bret and Eric Kuhnhenn took over operations of the store from their father. At this time, Eric began homebrewing while in college, and subsequently taught his brother Bret the
hobby, and the brothers began brewing at the store and fermenting in their parents’ basement.

Around this same time, big-box home improvement retailers began popping up all around the metro-Detroit area, squeezing out the local, family-owned shops. Bret and Eric began selling homebrewing supplies out of the hardware store, and eventually stopped selling hardware altogether. In 1998, they founded Kuhnhenn Brewing Co. as a homebrew supplies store, with the eventual plan to convert into a full-scale brewery.

The brewery was launched in 2001. With multiple expansions to the property over the years, the company now features a full-service taproom in Warren and their homebrewing supply shop Brewing World directly across the parking lot. Multiple awards and increased demand for their handcrafted beers, meads, and wines is the primary motivation for the latest expansion: a full-scale production brewery and second taproom will open in late 2015 in nearby Clinton Township.

The company currently employs 38 full and part-time employees, with Bret and Eric jointly sharing the roles of Founders and Brewmasters. Oh, and Sr. is still around...he kinda came with the building. Kuhnhenn beers have limited draft distribution throughout the state of Michigan, in addition to Greater NYC and parts of Europe. The expansion will take the brewery capacity from 2000 barrels per year to 26,000, along with bottling and canning of the flagship DRIPA (Gold Medal: IPA; 2012 World Beer Cup), and other core offerings such as The Fluffer Session IPA, Simcoe Silly, and Penetration Porter. What does that mean for you? More delicious, award-winning Kuhnhenn beer for your enjoyment.

COFFEE-COCOA THUMPER: Style: Session Beer. Fresh-brewed Eastern Market Blend coffee from Germack Roasting was blended into our flagship session ipa. Coffee is a perfect flavor complement to stouts and porters, but a light-bodied sessionable IPA? Crazy, right? Fruit notes with a hint of roastiness offer an interesting interplay of flavors, alongside slightly bitter, citrusy hops and a toasty malt base. While The Fluffer is a cute little bunny, Thumper is his wide-eyed, high-energy cousin. Caution: this beer does contain caffeine. *This Cask version contains additional coffee and cocoa nibs! ABV: 4.5.

OATMEAL STOUT: Style: Oatmeal Stout. Rich, black in color, this beer has a mild, roasted grain aroma with hints of cocoa and coffee, and no discernible hop character. Oats lend a grainy softness to the texture, with rich malty flavors throughout, leading to a surprisingly dry finish without the burnt character of some stouts. ABV: 4.8.

SIMCOE SILLY: Style: Belgian Strong Pale Ale. ABV: 8.5.

THUMPER: Style: Session Beer. ABV: 4.5.

From points distant and beyond we all converged on Petaluma in 1993 and ’94 with an unenunciated desire to be more than we were before. The core of Lagunitas came from Chicago, St Louis, Memphis, Walker Creek, and the highlands of Quincy.

The Chicago contingent initiated the brewing and the gravitational effect of its suchness did the rest. We all loved the beer but the mission was larger than the ordinary joy of a hoppy-sweet quaff. It was driven unseen by an urge to communicate with people, to find our diaspорic tribe, and to connect with other souls adrift on a culture that had lost its center and spun its inhabitants to the four winds to wander lost and bereft with a longing to re-enter the light. Beer, we have learned, has always been a good lubricant for social intercourse!

The Lagunitas Brewing Co. was not so much an act of ordinary ‘foundling’ as it was willed into being by the unspoken desire of supportive beer-lovers in Northern California after which they continued to nurture their creation and urged us forward to fulfill the unifying needs of that same beer-loving diaspora from coast to coast and beyond. It is good to have friends!

CHICAGO FUSION XXX: Style: Saison/Farmhouse Ale. ABV: 7.3%. It was brewed with Muscat and Sauvignon Blanc grapes, fermented with De Dolle yeast, then dry-hopped with some freaking delicious Nelson Sauvin hops, making it a Superbly Sauvignon Sauvin Saison-esque Summer Sipper.

LAGUNITAS IPA: Style: American IPA. OG: 1.060. ABV: 6.2%. Lagunitas IPA was our first seasonal way back in 1995. The recipe was formulated with malt and hops working together to balance it all out on your “buds so you can knock back more than one without wearing yourself out. Big on the aroma with a hoppy-sweet finish that’ll leave you wantin’ another sip.

MOZANGO! FUSION XXXI: Style: Experimental. We brought some friends up to the brewery from the Sister cities, Chicago and Milan, to brew a very special Fusion Ale for the Expo Milan 2015! It’s an intensely aromatic and tropical oat-y ale with a nice wheatly-esque-ish-ness, dry-hopped with Mosaic and infused with Mangoes... MOZANGO! Brewed in honor of the 42.0th Anniversary of the sisterhood of these two great cities... Cheers!

BLUE PETER: Style: Dortmunder / Export Lager. IBU: 45.0. ABV: 5.8.

Founded by two area homebrewers in 1996 in the basement of a farm-house in Cedarburg, the Milwaukee Brewing Company was born. In 1997 they opened the doors to their brew pub, the Milwaukee Ale House, in the Third Ward. As demand for the varieties offered at the Ale House grew and through a desire to expand the styles of beer produced, in 2007 we opened our 2nd Street Brewery and packaging facility in the historic Walkers Point neighborhood. Milwaukee Brewing Co. is committed to being good stewards of the environment and has become a leading example for microbreweries with practices such as: aluminum can packages that are 100% recyclable.

OFF COLOR BREWING | 219
3925 W Dickens Ave, Chicago, IL 60647
At some point John and Dave were born. They did other stuff for a while and then they figured out they were better at making beer than at the other stuff. So that's what they do now. They met while both studied at the oldest and most respected brewing school (of the two...and by the brewers that went to the one) in the US, the Siebel Institute, in 2008 and the brewery was envisioned while they both interned at Metropolitan Brewing afterwards. Most of Off Color's business plan is based off of Doug and Tracy at Metro knowing what they're doing, so you should go buy some of their beer too. After cutting their teeth at larger breweries, the two somehow convinced enough otherwise-very-smart-people to invest enough money for them to buy some big shiny things to make their own beer in. So that's what they do now.

ONE TRICK PONY BREWERY | 615
www.onetrickponybrewery.com/
17933 Chapel Ave, Lansing, IL 60438

We opened our doors in June, 2012 doing all we could to NOT tell anyone that we were open, except of course the proper governmental bodies. We focus on small-batch quality and bold flavored beer, only brewing what we like and not conforming to what beer periodicals or experts say is trending this month. Brewing that way would be boring, and boring makes things feel like work. The name? After experiencing what felt like decades of obstacles in a Chicago brewpub project, a few small batches were sampled by a dyed-in-the-wool IPA-drinker who fatefully-asked if he could help on a brewday. “F-ck you! Not going to be a one trick pony just brewing you IPAs...” was the suitable response. And thus, a name and a brand were born. Situated along the I-80/I-94 corridor, look for One Trick Pony’s Tap Room the next time business or life takes you to Indiana or Michigan from wherever it is you call home. We are the last stop in Illinois. If the flag is flying out front, we are open for business...or you could, of course, just check our Facebook page or the website. Either way, the Tap Room beckons, there’s beer there, c’mon by!

Welcome to Pig Minds Brewing Co. Inc., located just 5 miles west of Interstate 39 in Machesney Park, Illinois, where we brew beers with no boundaries. Featuring a uniquely designed vegan and vegetarian friendly food menu.
At Pigeon River Brewing we believe beer is more than just a catalyst for drunkenness, but it need not be held on a pedestal as a rare delicacy. We subscribe to the philosophy that, “from man’s sweat and God’s love, beer came into the world” (St. Arnold of Metz, Patron Saint of Brewers). High quality beer is a gift from God which should be enjoyed with our daily bread to nourish our bodies and souls and bring merriment to every day. Our mission is to provide our customers with outstanding beer to enjoy in jovial surroundings. We carry out this mission by: 1.) brewing beer based on time-honored recipes from around the world, 2.) using the highest quality grains, hops, and yeast, without compromise, 3.) encouraging patrons to seek beer which delights their tastes, warms their hearts, and stirs their souls…and then encouraging them to have another.

Port Huron Brewing Company derives its name from our Grandfather’s 1917 Port Huron Steam Tractor, which operates to this very day. This fine machine embodies the values of our Family-Owned operation. Careful construction without haste, a full day of honest work, and taking time for relaxation & camaraderie after a job well-done. Regardless of the beer style brewed, we live and brew by our motto: Quality Built Beer.

From our 4bbl brewery and taproom mega-global headquarters in downtown Kenosha, PUBLIC is making BEER for the PEOPLE. If we had one goal, we’d say it’s Beer. Or maybe People. Laser blasting ignorance with knowledge would be a good one, too. (Who doesn’t like laser blasting?) We considered making World Peace our singular mission, but that’s way harder than it sounds. But we digress. The point is, we figure as far as noble causes and good intentions go, beer is good. And who reaps the benefits of that goodness? PEOPLE.

In 2012 we opened our 40,000-square foot production brewery a mile and a half away on Kedzie Avenue in the Avondale neighborhood. That year we also opened our Kedzie Brewery tap room, which is currently open Wednesdays through Sundays and features exciting brewery tours, a hand-crafted shuffleboard table, and beers to go. With three year-round cans, three year-round 22oz. bomber offerings, and an array of seasonal and specialty brews, it’s not difficult to find us at your local bar, bottle shop, or grocer. Our firm belief that “extracts are for sissies” means that we only use whole ingredients. No extracts or artificial flavors involved. **SAMUEL ADAMS BREWING CO. | 503**

Brewmaster: Eric Beck. 
www.samueladams.com
1625 Central Pkwy, Cincinnati, OH 45214

Established in 1985 (company) and 1997 (brewery). After years as a contract brewing company, Boston Beer Company acquired its Cincinnati brewery in 1997 (and therefore has its festival credentials as a Midwest brewer!). The brewery has a 200-bbl brewhouse and an annual capacity of 800,000 bbls. The Cincinnati brewery brews about 2/3 of the company’s beer after a recent $6 million expansion. Winner of more than 200 international awards. Nationwide distribution. Angry Orchard Cider Company, brewed in Cincinnati OH, made its debut in 2012. After years of experimenting with different types of apples from all over the map and different cider-making techniques we learned along the way, we came up with a really imaginative, creative recipe.
In 1856, Ulrich Oderbolz pioneered Western Wisconsin’s brewing industry in Black River Falls. In the early 1900’s, the Oderbolz family sold the brewery. Prohibition shut down the brewery in 1920, and over the next 70 or so years the old brewery had been used for everything from raising turkeys to building land mines during the Vietnam War to bottling Coca-Cola and private labeled soft drinks. In late 1996, he Hellman family purchased the old brewery, refurbished the building and installed a brand-new, state-of-the-art brewing system for the Pioneer Brewing Company. In 1999, the Sand Creek Brewing Company was started in Downing WI and born of beer equipment made of pudding tanks and duct tape. Their first beers were sold in growlers. In 2004 the Sand Creek Brewing Company purchased the Pioneer Brewing Company and continues that proud tradition by offering great beers brewed at the historic location in Black River Falls.

Ambassador Brewer: Stephen Hale. schlafly.com

2100 Locust St, St. Louis, MO 63103

Established 1991. Missouri's first brewpub, and Missouri's largest locally-owned brewery. We’re really happy to be returning for our 23rd annual Great Taste of the Midwest. Located in the historic Swift Printing Buildings, The Schlafly Tap Room was an anchor in the revitalization of downtown St. Louis. The 15-bbl brewhouse produces more than seventy beer styles a year: come try many of them at our 17th annual HOP in the City beer festival at The Tap Room on Saturday, September 19th, 2015.

Schlafly Bottletworks opened a few miles away twelve years ago, brewing nearly 50,000 bbls in 2014, and has become a popular destination for locals and visitors. The menu focuses on local purveyors, with Schlafly Gardenworks producing thousands of pounds of vegetables and herbs used in both restaurants. The brewery has had several expansions lately, if you haven’t seen it in a while, you’re overdue to take a tour sometime. Schlafly is a member and ardent supporter of Slow Food St. Louis, sharing similar philosophies and common goals. You can find our beer at many places within a six-hour drive, as well as from Virginia to New York City.

- **PALE ALE:**
  - **Style:** English Pale Ale. A smooth, balanced, copper-colored session beer with mildly spiced flavor and aroma from the East Kent Goldings hops. The bready, lightly caramel malt complements the hint of fruitiness contributed by the London

We add puréed raspberries to our Hefeweizen during the primary fermentation process. Although we add no sugar, color or flavors, the resulting beer is a hazy pink color, with citrus aromas from the wheat and a flavor that is neat and tart. While this beer is low in bitterness, it is not overwhelmingly sweet, making it a thoroughly drinkable beer for the season. “It doesn’t look fake, because it’s not fake!” OG: 10.5. IBU: 16.0. In 1999 Steve opened Augusta Brewing Company and for a few years ran both locations, selling August in 2010. Dr. John Witte, Square One's brewer has over 18 years of brewing experience in St. Louis, having brewed and/or helped start up 4 breweries in the metro area. touch of fruit and a hint of sweetness. OG: 1.042. IBU: 2.0. ABV: 3.75.

ROOKIE TEMPERANCE BEER CO. | 108
2000 Dempster St, Evanston, IL 60202

It’s taken almost one hundred years, but Evanston can once again call itself home to a Temperance movement. But this time there’s beer. In fact, this one is all about the beer. Aside from that tiny detail, Temperance has always been about making life better in ways big and small. We think that’s a worthy goal, and one that only comes about by being open to the possibilities. It’s something we think about with the beers we brew and the things we do. (And when you join us, you will too.)

ROOKIE THE CIVIL LIFE BREWING CO. | 405
3714 Holt Ave, St. Louis, MO 63116

We opened in 2011 and are located in south St. Louis city. We focus on moderate a.b.v. beers and produce styles modeled on the classics from Germany, England and America. We built a European inspired pub inside of a 1950’s warehouse tucked neatly into Tower Grove South. We firmly believe pubs play an important role in the world and hope the next time you find yourself in St. Louis you wander in for a pint and stay awhile, maybe even move within walking distance of the brewery. In 2014, we entered our first beer competition and won a Gold at GABF for our Rye Pale.

“THE GREAT HENCINI”: Style: English Brown Ale. Named after the late Brian Hencel, friend to man-kind, former Madison resident, home-brewer and constant promoter of the shower beer. Rich toffee-like sweetness with a nice round bready mouthfeel. Reminiscent of chocolate, molasses, toasted almonds, ripe red berries, dried plums, orange zest, coffee and cream. Medium body and carbonation, with an everlasting dark malty aftertaste. Cheers to those that have gone before us and to living those days we have left. OG: 1.046. IBU: 4.0. ABV: 4.8.

AMERICAN BROWN ALE: Style: American Brown Ale. Long enough ago, all beer would’ve been brownish because of the difficulty of cooking the malted grain without darkening it. The great thing about American Brown Ale is it can trace it’s revival back to American Home-brewers. Malty, caramelly, and toasty, earthy and citrusy, with delicious hints of bitter chocolate and dark roasted coffee. If we had a ship we’d definitely would be flying the American Brown Flag. OG: 1.058. IBU: 35.0. ABV: 4.2.

ENGLISH PALE ALE: Style: English Bitter. A rare feat of beauty and balance. We think this refreshing session beer has something for everyone. Grainy, malty, biscuity, bittersweet, with some tantalizing New-World-meets-Old-World hoppy traits thrown in. Hints of freshly-cut grass, black pepper, black currant, orange marmalade. Well-rounded mineral-water mouthfeel with subtle tea-like tannins. Tasty and tame enough to drink a few. OG: 1.046. IBU: 35.0. ABV: 4.2.

RYE PALE ALE: Style: Rye Beer. Have you ever had a Rye beer that kicked you around for a bit? Yah, well this isn’t it. It’s still big but it’s grounded and balanced by a strong malt backbone. Familiar pale ale traits plus rich graininess, subtle spice and crisp mouthfeel from the rye, lots of caramel, pine cones, and grapefruit zest with a well-rounded bittersweet finish. GABF Gold 2014 OG: 1.057. IBU: 50.0. ABV: 4.6.
THE ANGEL AND THE SWORD ALE: Style: English Bitter. The inspiration for the name of this beer came from Juan de Ávila's "statue of peace" outside Alcázar fortress in Toledo, Spain. It represents a winged female holding up her sword to the sky. We use our English yeast strain, English hops and some of our favorite malts to make this beer. It’s a bit of a departure from true-to-style brewing. Biscuity and bittersweet, familiar and unfamiliar, way more going on than its light color and alcohol content would suggest. Let us raise our goblets to the sky in one accord. OG: 1.048. IBU: 20.0. ABV: 4.6.

161 North Archer Ave, Mundelein, IL 60060

Tighthead Brewing Company was founded by Owner/Brewer Bruce Dir, a long time homebrewer and Siebel Institute graduate, and began production in the fall of 2011. The production brewery and tap room are located adjacent to the Metra train station in Mundelein, Illinois and produce quality ales and lagers for all seasons. Our Comfortably Blonde Ale, Scarlet > Fire Red Ale, Chilly Water Pale Ale and Irie IPA are currently being distributed throughout northern Illinois. Our Tap room typically features up to sixteen beers on tap, many of which are seasonal beers and are only available in the tap room by the pint or growler. Examples of our loyal followers favorite seasonal beers brewed so far are the Boxcar Porter, Hat Trick Tripel and Go-Go- Witbier, among others. Our approach is two-fold, to brew quality beer is a must, but we also want to turn as many people on to as many craft beer styles as we can.

Brewmaster Billy Oaks handles the majority of the brewing and manages the brewing operations at Tighthead. Billy is a graduate of the American
Brewers Guild program and spent time as a homebrewer and managed a local homebrew shop prior to joining Tighthead. Our 15 BBL brew house was fabricated new by Newlands Systems, Inc. and will produce about 3200 BBL a year at capacity.

We hope you come and see us in the tap room where you can view the brewery while enjoying a pint or two. We are open Monday through Sunday (check website for hours) and tours are available on Saturday’s at 3:00 pm.

**BOXCAR PORTER:** Style: American Porter. A Robust Porter with hints of roast coffee and mild chocolate. English Maris Otter pale malt, black patent, dark and light chocolate malt and traditional English East Kent Golding hops makes this a classic example of the style. Cheers! IBU: 43.0. ABV: 6.9.

**CHILLY WATER PALE ALE:** Style: American Pale Ale. Wheat based Pale Ale that is fermented very clean with American ale yeast giving it a crisp, refreshing finish. The combination of Amarillo and Citra hops provide an aroma and flavor of mango, tangerine and other soft citrus fruit and may cause a widespread panic… hint at the name’s origin! IBU: 40.0. ABV: 4.8.

**GO-GO WIT:** Style: Witbier. ABV: 5.6.

**IRIE IPA:** Style: American IPA. A malty and complex IPA which support the generous amount of Chinook, Centennial and Columbus hops. American Ale yeast ferments this beer cleanly allowing the dank hop qualities to shine though… IRIE Mon! IBU: 134.0. ABV: 7.8.

**MECHANICS GROVE:** Style: Maibock / Helles Bock. ABV: 6.5.

**OLD KAYA DOG:** Style: American Barleywine. An American Barleywine with hints of light fruit and alcohol warmth. Brewed with American Hops and Ale yeast, this is a beer that is not to be taken lightly! We hope you enjoy Old Kaya Dog as much as we do! IBU: 92.0. ABV: 10.3.

**SCARLET FIRE:** Style: Irish Red Ale. Scarlet Fire is an Irish/American style Red Ale. The name is reference to the often played combination of Grateful Dead song’s Scarlet Begonias and Fire on the Mountain. This beer features a great balance of malt sweetness from caramel malt and subtle toasty notes from roasted barley. Brewed with American Ale yeast, and East Kent Golding hops, it pays tribute to its heritage as an Irish Red Ale. IBU: 30.0. ABV: 5.6.

**TITLETOWN BREWING CO. | 613**

**Brewmaster:** David Oldenburg.

200 Dousman St, Green Bay, WI 54303

To some “Green Bay” means “football,” a storied place where guts and grit are the currency, and the greats live on in the echoes of cheers. That’s our legacy, and Titletown understands the value. That’s why we make our food the way people remember food being made, from scratch, with fresh, local ingredients and loads of flavor. Our hand-crafted beers tell the same story, rich, full-bodied brews that recall the days when a beer was a beer. Coming here for dinner, or enjoying our bottled beers on your own deck, Titletown is the legendary place, that serves up legendary tastes.

**ADDLEPATED ALE:** Style: Abbey Ale. OG: 13.0. IBU: 30.0. ABV: 6.0.

**BRAMLING CROSS PALE ALE:** Style: American Pale Ale. OG: 13.0. IBU: 40.0. ABV: 6.0.

**DARK HELMET SCHWARTZBIER:** Style: Schwarzbier. OG: 13.0. IBU: 25.0. ABV: 5.0.

**GRISSETTE:** Style: Saison / Farmhouse Ale. We blended this traditional Belgian farmhouse ale with select green teas. The result is a subtle earthy sweetness and a complementary dry and slightly hoppy finish. Light in body, this beer is perfect for the hot months of summer.

**SNO-CAP ROOT BEER (NON-ALCOHOLIC):** Style: Root beer. We prepare this old-fashioned root beer using Grandma Gladys’ original recipe. One taste takes you back to the Sno-Cap drive-in restaurant in Green Bay where this tasty treat was a local favorite.
Toppling Goliath started in 2009 with the mission to bring craft beer to Northeast Iowa and our neighbors. We began brewing on a 1/2-bbl system with the promise to make “Big Beers in Small Batches”. Although we have since grown to a 30-bbl craft brewery, we keep that same mindset for every beer we make. Find our beer on tap or in bottles at select locations in Iowa, Wisconsin and Minnesota; or take the scenic drive to Decorah, Iowa and become part of our beer revolution in the heartland!

**DOROTHY'S NEW WORLD LAGER:** Style: California Common. IBU: 11. ABV: 5.5%. Our flagship beer was named after our founder’s grandmother and crafted to please her purely classic tastes. Mildly hopped, light in color and body, with a clean taste, this California common style lager drinks easy. Each sip charms the senses with distinct flavor and refreshing simplicity, delivering a smooth finish.

**GOLDEN NUGGET IPA:** Style: American IPA. IBU: 56. ABV: 6.3%. Fall in love with the big hop aroma of our golden Nugget as it mingles with fragrances of citrus and bergamot, followed by a floral sweetness. Tropical fruit flavors entice your taste buds before immediately captivating you with a bold, hop forward taste and a pleasant bitterness that lingers in the finish.

**KING SUE:** An American Double IPA brewed with Citra. A tropical explosion of hops.

**MORNIN’ DELIGHT:** Style: American Double/Imperial Stout. A huge Imperial Stout with an explosive expresso aroma followed by strong notes of maple syrup and vanilla. Add pancakes and you’ve got breakfast.

**PSEUDOSUE PALE ALE:** Style: American Pale Ale. IBU: 50. ABV: 5.8%. This Citra hopped Pale Ale is loaded with tropical fruit flavors and has bright aromas of passion fruit, mango and papaya.

**ZEELANDER:** Style: American IPA. IBU: 60. ABV: 5.8%. This zeelicious single hop IPA showcases the rare Nelson Sauvin hop from New Zealand. Delightfully confusing aromas of citrus and mandarin oranges give way to an incredibly complex body of earth and marigold tones. This is truly unlike any hop you’ve ever tasted.

It all started with a glacier that stopped. Stopped moving south some 20,000 years ago during the last Ice Age. Stopped after it had already flattened most of the Midwest, but before it reached Monroe County. Stopped just in time to preserve the rolling hills of the southern part of the state. The uplands.

The glacier shaped the land, and the land shaped the people. The rugged terrain of the uplands attracted a unique breed of settlers. They were pioneering, independent, connected to the land and committed
to their local communities. They worked hard and took pride in their craft—because that was the only way they knew.

None of these traits went away when the university came. But a few new ones were added to the fold: Progressive. Tolerant. Intellectual. Put it all together and you’ve got a heady mix of cultures and contradictions. A place where everyone can feel at home. A place that is equally respectful of tradition and open to change.

This is where we’re from. It’s what inspired us to open our doors (and our taps) in 1998—and its what continues to guide us moving forward. And, fittingly you might say, it all goes back to a glacier that knew when to say when.

BEARD OF PARADISE: Style: American Pale Ale. The aroma and flavor are rich with a mix of coconut, pineapple, and the delicate citrus of mosaic hops. A slight perceived sweetness from the crystal malt is balanced by the mild acidity of the pineapple. IBU: 30.0. ABV: 6.2.
CHAMPAGNE VELVET: Style: Euro Pale Lager. IBU: 29.0. ABV: 5.2.
COASTBUSTER: Style: American Double / Imperial IPA. IBU: 65.0. ABV: 8.5.
DRAGONFLY IPA: Style: American IPA. IBU: 50.0. ABV: 6.5.
LAMBICS: Style: Lambic - Fruit. Belgian-style Lambic. Our lambics start with a turbid mash of unmalted wheat, are fermented with Brett and lactic bacteria, and aged in oak for over a year. Whole fruit, sourced locally whenever possible, is added to impart enticing aromas and flavors. After aging several more months, we bottle condition it for a zesty carbonation.
OKTOBERFEST: Style: Märzen / Oktoberfest. IBU: 15.0. ABV: 6.5.
SUNDIAL: Style: Belgian Pale Ale. Sundial pours a foggy gold with tinges of copper. The aroma is of peppery spice with citrus, light pine, and stone fruit. The initial flavor is a burst of fruity spice provided by a traditional Belgian Saison yeast. This is complimented by refreshing highlights of tangerine, lemon, pear, and apple imbued by Mandarina Bavaria dry hops. Subtle floral notes linger from an addition of local wildflower honey. IBU: 30.0. ABV: 7.3.
TEDDY BEAR KISSES: Style: American Double / Imperial Stout. IBU: 80.0. ABV: 10.2.

BERNARD: Style: Smoked Beer. The Polish city of Grodzisk is renowned for its low-gravity beer made with oak-smoked wheat malt (aka Grodziskie), but the brewing history in this city could have died long ago without the deeds of a Benedictine monk named Bernard. OG: 8.2. IBU: 22.0. ABV: 3.4.

DEBOCKLE: Style: Experimental. Ah there once was a Belgian from Uccle, who liked to eat frites with his broth full of cockle. And though he was from near Ghent, and liked his grain well spent. His brewing ability matched his name of De Bockle. (This beer though is actually pretty damn good). Prost! OG: 24.0. IBU: 26.0. ABV: 10.0.

PIERRE’S WIT: Style: Witbier. A deliciously refreshing, wheat beer originally created by Belgian farmers in the middle centuries. Today, the style has a generous range-of-flavor and is often infused with a variety of spices. In keeping true to Mr. Celis’ homeland of Belgium we brew ours with unmaltered wheat, orange peel, and coriander. Here’s to you Pierre! OG: 12.0. IBU: 13.0. ABV: 5.2.

URBAN BLACKTOP: Style: American Black Ale. We had some fun brewing this Black India Pale Ale. Our malt-bill was conceived via dark and secretive means, and we dry-hopped this beer with a wide variety of hops. Just as its name suggests, you’ll find this beer to be smooth, dark, and a little bit ‘street’. OG: 15.0. IBU: 50.0. ABV: 6.0.

White Winter Winery & Distillery produces high quality hand crafted Mead, Brandy and Hard Cider. Mead is the oldest fermented beverage in the world. We are a true regional winery using ingredients grown within approximately 150 miles of the cellar whenever possible. We use what our neighbors produce to make a great product. It helps them, it helps us, it's environmentally and ethically sound, and you, the consumer, know exactly what you are drinking, where it comes from, how it's made, and that every purchase stays in the community to support a family farm (and winery!). Specialty meads and Reserves only sold at the winery. Look for our fine products at tap houses and retailers in your area.

WISCONSIN BREWING CO. | 315

Established in 2002. 2012 was an important year for us, we celebrated our 10th anniversary of opening & started to bottle the 1st of our beers...Rustic Red! Rustic Red is the 1st bottled microbrew in the Dells & is available for purchase at either Moosejaw Pizza or our sister restaurant Buffalo Phil’s.

Dells Brewing Co.’s Brewmaster Jamie Baertsch & her assistants Kevin Novy & Mike Balda use our 15 barrel Bohemian brewing system to brew & serve 10 different styles of hand-crafted beers & 3 gourmet sodas. 6 of those beers (Honey Ale, Golden Ale, Rustic Red, Raspberry Cream Ale, Dells Pilsner & Kilbourn Hop Ale) are available year-round. We then have 4 more taps that rotate between selected seasonal & specialty beers such as the Apple Ale, Weissbier, English Brown Ale, Sweet Cherry Ale, Oktoberfest, Oak Barrel Aged Porter, Stand Rock Bock, IPA, Milk Stout & Winter Warmer. Within the first year of brewing, the Dunkel Lager attained a silver medal in the European-Style Dark/Munchner Dunkel category at the 2002 Great American Beer Festival. This was followed up in 2003 with another silver medal this time in the Bock beer-style category for Blonde Bock. We returned to the GABF in 2008 & brought home another silver medal in the Scottish-Style Ale category for our Rustic Red.

Dells Brewing Co. is housed on the third level of Moosejaw Pizza which is centrally located between Chicago & Minneapolis in the heart of Wisconsin Dells, Wisconsin. Moosejaw seats 500+ patrons within the three levels of the full-service restaurant which specializes in fresh, piping hot pizza! Each level has its own unique appeal. The Brewery Bar overlooks just that, the brewery! The main floor has numerous game mounts, a massive fireplace & old-fashioned photos of its namesake, Moose Jaw, Saskatchewan. The Rathskellar, Moosejaw’s lower level, bar is complete with premium sports viewing, pool table, dart board, arcade games & a large party room available for private celebrations!

Stop in for a sample, stay for a pint & take home a Dells Brewing Co. growler!

401 Main St, Woodman, WI 53827

At Woodman Brewery, our motto is “Variety is the Spice of Life”. we are Wisconsin’s smallest brewery with the largest selection of hand crafted one-of-a-kind micro brews. Every beer is unique, from its grain and hop selection to its own yeast strain. We feature our custom brews on tap at the whistle Stop in Woodman, WI. Started as a basic country bar in 1994, the current owner acquired the operation in 2008 and has grown it into a fully operational brewpub, with a huge menu including fresh steaks and seafood.
ZwanzigZ Brewing is a three and a half year old addition to our independently owned pizzeria that opened in 2002. Located 40 minutes South of Indianapolis in Columbus Indiana. Follow I65 to exit 68 and head 5 minutes to just North of downtown. Nestled in a residential neighborhood, we’ll make you feel like home with our fresh made deck oven pizzas, calzones, sandwiches and salads. Enjoy one of our 16 beers on tap including 4 barrel aged beers. In our family friendly dining room, also enjoy any of our four craft sodas.

CHOCOLATE BEER: Style: American Blonde Ale. A golden ale that will first surprise the sense of sight. Positively chocolate aroma and taste. Cocoa Puffs the cereal was the inspiration but not an ingredient. OG: 14.2. IBU: 12.0. ABV: 5.9.

CUCUMBER LIME KOLSCH: Style: Kölsch. Summertime Kolsch style brewed with Key limes then lagered for two weeks. Cucumber essence is added to the keg for added refreshment. OG: 1.055. IBU: 19.0. ABV: 5.8.

NULLIUS IN VERBA (L. TAKE NO ONE’S WORD FOR IT, SEE FOR YOURSELF): Style: Experimental. At least some grain from every category in the sales book. A literal kitchen sink of ingredients and then allowed to age in the keg for a year. Like the Latin name says, see for yourself! OG: 1.093. IBU: 48.0. ABV: 10.0.

NON-ALCOHOLIC ROOTBEER: Style: Root beer.
